**Notes:**

- A. Residents are considered to be only those who actually reside in the Town of Bar Harbor, either seasonally or year-round. Those who may run a business here or pay property taxes here, but reside outside the Town limits, are to be charged as non-residents.
- B. Non-residents are considered to be all those who do not meet the above definition of Resident.
- C. Payment of all fees associated with cruise ship visits must be received on or before arrival.
- E. The amount shown in the "Inflated" column is calculated by multiplying the current fee by the current inflation rate, as expressed by the Social Security COLA.
- F. As provided by Town Council action on September 2, 2003, new fees and charges are automatically approved when the budget is adopted by Town Meeting. No further Council action is required.
- G. Harbor fee changes take effect January 1 of the year following budget adoption, except as provided below.
- H. As provided by Town Council action on May 17, 2005, cruise ship fees and charges must be approved eighteen months prior to their effective date in order to accommodate cruise line scheduling.
- I. This fee is equal to the fee for hearing an Administrative Appeal from a decision of the Code Enforcement Officer.
- J. Boat length shall be measured as "length over all".
